

Mentor Emory 2017 Program at a Glance

PROGRAM DESIGN

Mentee-Mentor pairs will be selected based on the information that is provided on the applications. Mentees will be challenged to “drive” the relationship with their mentors, by providing clear developmental goals. The role of the mentor is to support, challenge and motivate the mentee towards achieving those goals.

Mentee-Mentor Meetings

Mentees and mentors will coordinate their calendars to arrange for monthly meetings. It is expected that each mentee-mentor pair will meet between two to four hours per month in a mutually agreeable setting. The purpose of these meetings is to focus on the development goals of the mentees.

Program Dates

Once selected, attendance will be required at all the Mentor Emory events. By attending structured events, both the mentees and mentors will develop skills that support the mentoring relationships. Please review the following dates prior to submitting your application to ensure your availability. Unless otherwise noted, all sessions will take place at Learning & OD, 1599 Clifton Road.

Program Kickoff: The mentees and mentors are required to attend this session. This session will clarify roles, responsibilities and expectations. Sponsors/Supervisors of the Mentees **(only)** will participate in an orientation.
