Mentor Emory "Mentor" Application Packet

Deadline: Friday, November 16, 2018, 5:00 pm

Program Overview

The goal of the Mentor Emory Program is to enhance the development of individuals (mentees) through paired relationships with their mentors. This focused attention on professional development provides an opportunity for mentees to reflect and develop with their mentors. Developing engaged employees strengthens and supports the retention of the talent of individuals within the university.

Eligible Mentor Candidates

Any full time employee of Emory University who has a willingness to support the development of another employee.

Time Commitment

Approximately 2-4 hours per month for 8 months.

Expectations

- Mentee-Mentor pairs will identify clear objectives for the mentoring relationship in conjunction with the mentee's development plan.
- Mentee-Mentor pairs will complete any pre-work throughout the program.
- Mentee-Mentor pairs will meet regularly in addition to the classes.
- Mentee-Mentor pairs will attend all Mentor Emory development activities and graduation.

Participant Selection

All applicants will be notified via email by **Thursday, December 20, 2018** regarding the status of their application. Participants will be selected based on the information provided in the application, along with their professional goals and interests, their self-identified core values and mentoring styles, and where an appropriate match is available.

Program Design

Mentee-Mentor pairs will be selected based on the information that is provided on the applications. Mentees will be challenged to “drive” the relationship with their mentors, by providing clear developmental goals. The role of the mentor is to support, challenge and motivate the mentee towards achieving those goals.

Mentee-Mentor Meetings

Mentees and mentors will coordinate their calendars to arrange for monthly meetings. It is expected that each mentee-mentor pair will meet between two to four hours per month in a mutually agreeable setting. The purpose of these meetings is to focus on the development goals of the mentee.

Program Dates

Once selected, attendance will be required at all the Mentor Emory events. By attending structured events, both the mentee and mentor will develop skills that support the mentoring relationship. Please review the dates on the following page prior to submitting your application to ensure your availability. Unless otherwise noted, all sessions will take place at Learning and Organizational Development, 1599 Clifton Road, 1st Floor, Room 1.432.

Program Kickoff

Both mentees and mentors are required to attend the program kickoff session. This session will clarify roles, responsibilities and expectations.
