Aspiring Leaders at Emory
Nomination Packet

Deadline: Monday, April 16, 2018, 5:00 pm
Program Overview

The Aspiring Leaders at Emory program is designed to provide development for Emory’s individual contributors who have been identified as high-potential and who are being considered for a transition into a people manager role. This program is also appropriate for faculty and principal investigators.

Program Design
This program is designed to allow participants to develop and enhance skills within a cohort group of up to 25 participants representing different departments across the University. The cohort design allows participants to interact with their colleagues from across the University. It is the goal of the program to create a community of learning where participants can build professional relationships and make a meaningful contribution to their careers. The curriculum is designed to build skills in competencies that are needed to lead and manage others. Lastly, participants will also be required to complete AND present a detailed development plan in order to be eligible for graduation.

Performance is measured by the current performance management process which incorporates Emory’s current performance competencies.

Potential is measured by considering the following dimensions:

1. Motivation to lead, including bringing out the best in others
2. Personal development interest, including receptivity to feedback
3. Adaptability and the ability to deal with complexity and ambiguity
4. Ability to communicate effectively
5. Resilience in the face of obstacles and stress
6. Future contributions to Emory

Eligible Candidates
Any full time employee of Emory University that is currently in an individual contributor position. This employee must be considered high potential and expected to move into a position managing people within two years. In order to identify high-potential, leaders should consider their staff with regard to their performance and potential.

Nomination Process
Candidates must be nominated for the program and selected to attend. Nominations must be submitted by director-level or above, departmental leaders or the department chair. If the candidate’s direct supervisor is at the director level, then the next level of leadership must submit the nomination.
Program Overview (continued)

Participant Selection
All applicants will be notified via email by Monday, May 7, 2018 regarding the status of their application. A selection committee will review nomination packets and select participants for the program based on the responses to the nomination questions, the high potential status of the nominee, and other criteria identified by Learning & OD leaders.

Candidates are encouraged to reserve the dates listed on the Program-at-a-Glance (see page 5) in anticipation of their acceptance to the program.

Supervisors are encouraged to reserve Monday, June 4, 2018 for the Supervisor’s Orientation from 2:00 pm —3:00 pm at 1599 Clifton Road, Room 1.432.

Program Cost
The cost for the department for each participant is $600.
Participation Guidelines

The purpose of the Learning & Organizational Development Programs is to provide participants with an opportunity for growth and development. Given the investment of time and resources, it is important that participants are committed to attending all of the program sessions.

**Attendance is mandatory**
The Program-at-a-Glance is provided in the application. Interested candidates should plan regular work-related commitments, professional conferences and vacations in advance, so that they do not conflict with program dates. In the event a participant misses a class, the program coordinator will contact the participant, the supervisor and the Associate Director of Learning and Development.

**Participants are NOT allowed to miss the first kickoff session. If the participant is unable to attend the kickoff session, their participation will be deferred to the next cohort.**

**Extenuating Circumstances**
In the event of illness, loss of a loved one or unexpected workplace emergency, the participant will inform the program coordinator that she or he will not be able to attend the session. The program coordinator will assist the participant in making up the session, which may include attending an upcoming session.

**Inclement Weather**
In the event of inclement weather, participants should follow the University guidelines for closings and delays. Safety is paramount and should a class need to be rescheduled, we will seek your support in adjusting calendars.

**Unexcused Absences**
Examples of unexcused absences include meetings, vendor meetings, conference calls, conference attendance or vacation days. The participant will be responsible for making up the session. If available, the participant may attend another upcoming session. The participant’s department will be responsible for any additional fees associated with makeup class.

If a participant misses one class and has not made up the class prior to the published graduation date for that cohort group, the participant will be allowed to join the next available cohort and graduate with the new cohort group.

Program fees will not be refunded as course materials are acquired in advance.

**Graduation Requirements**
Participants will be eligible for graduation in 2018 by completing following requirements:

1. Attendance in classes; and
2. Submission of a completed development plan.

If the participant is unable to meet these requirements, they will be invited to participate in the next graduation ceremony once all requirements are met.
Once selected, attendance will be required. Please review the following dates prior to submitting your application to ensure your availability. With the exception of the graduation, all of the sessions will take place at Learning & Organizational Development, 1599 Clifton Road. Please note that the topics are subject to change.
